They want you to dick them doggie-style till their knees grow weak and their backsides grow pink!

ALANA AND LEILANI SOARES are too absorbed in sports to indulge in sibling rivalry. Skiing and tennis are major interests and Alana wants to own an N.F.L. franchise. Alana was our Playmate of the Month in March 1983. The Soareses are not twins, though the resemblance is remarkable. If we've got this right, Alana is the one on the right on this and the facing page. On the following pages, you'll find Alana, Leilani, Alana, Leilani and Alana, in that order.

Zu unserem letzten Date begleitete mich mein Freund mit seinem Photoapparat. „Also beim Hantelschwingen will ich euch nicht ablichten!“ Ich machte mich über Peters geilen steifen Schwanz her wie ein verhungerndes Kälbchen - und mit dem Klicken der Kamera begann ich vor Geilheit zu zittern.

Lors de notre dernière séance mon ami m'a accompagnée avec un appareil photo. "Je ne veux pas vous photographier avec des haltères!" Je me suis donc penchée sur la queue bandée de Peter comme une chatte assoiffée et les clics de la caméra m'ont terriblement excitée.

En kompis med kamera var med till våran sista träning. "Jag ville inte plåta er när ni lyfter skrot!" Jag tog tag i Peters kåta stånd. Som en hungrig katt börjar jag suga och kåtheten stiger när jag hör hur kameran klickar.

Television stars have a much more intimate image than big screen stars. Seeing them nude when you have got used to seeing them clothed and in your living rooms most evenings on the goggle box is a tremendous turn-on. We have always felt that getting the Diane Keen and the Pam Stephenson full frontal shots amounted to our finest achievements on your behalf. Certainly landing this classic, one-off shot of the super sexy Gabrielle Drake is another landmark for *Club* to be proud of. Yet another one for your Celebrity Vault!

Eva im Schilfbett – da kann keiner widerstehen.

Selbst das Schilf sprießt, wenn Eva sich so verführerisch zeigt.
